form the Dy Commissioner Mysore District:

The Head Quarters of of the Sri Ahobilaswamii matt is at ~~Ahobilam~~ in Tirumalkur Chingalpu District of the Madras Presidency. The matt is endowed with the Devadaya ~~mirasi~~ hereditary notified Inam lands and villages in the T Narasipur Taluk, for

for its support. The Swamigalmuru
died a few years ago
and owing to disputes
amongst the disciples
of the matt, no successor
has yet been appointed.
One Mr. Narasimhachar B.A.
has been appointed by
the Chief Court of Madras
as Receiver of all the properties
belonging to the matt.

In May 1901 a petition
from Gopala Krishnachar
and others of Bukkambudhi
and Nagadikalli was
received in this Office, in
which the petitioners stated
that the Swamigalmuru
as well as the Agent of
the matt died some time
back and therefore matt-
ers lands and the villages

to the matt

Villages belonging might-
be taken under Government-
management, until the
nomination of a new
Swami. This petition
was forwarded to the Dy
Commissioner for necessary
enquiry and disposal
or report if necessary.
Before a report was received
on this subject, the Dy[x]
Commissioner reported
to this office in January '02
that Appanniengar, who
had been the Agent of the
matt, died a year and
a half ago and requested
that the old stipend
order for an annual
Cash grant of Rs 8-12-0
payable

Opr No 1336 dated
17th June '01. Slip A.

Mr. H. Rammujengar

payable to the matt, which
stood in the name of the
deceased Agent Rajamiengar
might be cancelled and
fresh order issued in the
name of the newly appointed
Agent Shashachi Iyengar -
The Dy Commr was with reference
to this letter asked to furnish
~~[illegible]~~ information regarding
the appointment of the new
Agent and the authority
under which the stipend
amount was disbursed
to him, without a fresh stipend
order - Reply having been
received from the Dy Commr
Mrs Kanthimija vers in November 1902,
it was observed in this office
letter no 1299 dated 11th
December 1902 that the ~~[illegible]~~

~~Of obtaining~~ payment made of the stipend amount to the new Agent Shashindri Iyengar was opposed to the Late Chief Comm's Pro no 2659 - Fin 3 dated 9th July 1874, which directed that every ~~Inspm~~ Stipendiary should be furnished with a stipend Order and that payment of the Stipend amount should be made only on the production of the Stipend Order The Dy Comm was requested to explain how and on what authority he gave the order for payment of the allowance without obtaining the previous sanction of the Government thereto.

~~It was also enquired~~
Inquiry was also made
as to why further payments
should not be held in
abeyance, pending the
appointment of a successor
to the matt, especially seeing
that the allowance was
granted to the matt and
not to any individual.
3. From the Vernacular records
received from the Dy Comrs
it having been observed
that two questions in
connection with the affairs
of this matt were mixed
up together, viz, one about
the issue of a fresh stipend
order and the other about
the mismanagement of the
Inam villages of Birakurkulli
matt Sidlikulli

Nagadihalli and Nagula-
-gere, endorsed to the
matter, the Dy Commr was
further requested to hold
a thorough enquiry about
the second point and
submit a detailed
report at an early date

3. With reference to the
first point in the above
Communication, viz, about
the stipend amount
the Dy Commr reported
in his letter no 211 dated
20th February 1903, that
he had issued orders to
the Amildar of T. Narsipura
to stop the payment of the
stipend due to the new
Agent Shashadri Iyengar
the

Mr B. K. Venkataravana-
diengar - Slip E

he having failed to furnish
the accounts of Receipts
and Expenditure of the
Inam Villages of the Mutt

4. The present Communication from the Dy Comr is about the 2nd point viz the mis-management of the Mutt endowments The following facts are gathered from the Vernacular Records now received from the Dy Comr in regards the mismanagement:- No 306 dated 25th May 03

5th One Mallappa, Shanbhoga of the Mutt villages presented a petition to the Amildar of the Narasipur Taluk in August 1900, stating that the income from the Inam villages was not being applied by the Agent

and requesting that as the said Agent as well as the Swamigalawaru of the Matt were dead, the Devadanya Inam villages might be taken under Government management He presented a similar petition to the Dy. Comr also The local enquiry made by the Amildars of the 9. Municipal and the Mysore Taluks (because the Inam villages are situated in the former and the local Matt building in the Mysore city) it was clear that, owing to the death of the local Agent Appaniengar, and owing to a successor not having been appointed in the

in the room of the deceased

Swamis who died about

the middle part of the year 1900,

the management of the matt

Inam villages was not satisfactory.

The Assistant of the S. Manager

Subuk therefore proposed to

the Dy Comm^r

that until a Successor

was appointed to the matt,

the Inam villages might be

taken under Government

management; and he also

reported that the Local

Agent Shashachi Iyengar

did not furnish

the accounts of Receipts

and Expenditure of the matt

villages, although called

upon to do so -

Mr. M. Narasimhachar B.A. who has been appointed by the ~~Chief~~ High Court of Madras as Receiver of all the properties belonging to the Akbarabad Mutt submitted to the Dy. Comr a statement of Receipts and Expenditure of the Income funds of the mutt in the Mysore State for 1900-1 and 1901-902 and rep to Feby 1903, regretting that owing to the carelessness and stupidity of his clerk in Bimalkanna-halli and other villages in the T. Narsipur Taluk these accounts were not supplied earlier to the Amildar as called for by him. The statement

shows that the total demand
for the two years was
Rs 15-3-14-11-10 and the
amount actually collected
was Rs 8425-5-6 only,
and that
the Expenditure ~~being~~ Rs

8 In submitting the
entire correspondence
for the orders of Govt.,
the Hon'ble Rd. Commr. Mrs
Ramaswamy Iyer states
in the letter under reply,
that from the statement
submitted by the Revenue
it is not possible to make
out the Expenditure and
Receipt for each year;
that the matter being situated
in the mofussil Presidency,
it is impossible for the
local authorities there to
ascertain the real state
of things; that consequently
it would be better to obtain
all the necessary information
from the Collectors of the
Chingalpet-

Chingulput District; and
no successor to the late
Swami having been yet
appointed and owing
unsatisfactoriness, the
Receiver appointed by
the High Court of Madras
not being on the spot,
the Swami Villages of the
Mutt are not all properly
managed. The Dy Comr
therefore suggests that
the management of the
Mutt endowments may
be taken over by Govt
pending the appointment
of a duly recognised —
successor to the Mutt

Deputy Secretary's Remarks

The question of

Government taking

up the management

of the villages belonging
to the Kobala Matt,
which are situated
in the Mysore State,
has come up for
consideration, because
the Swamii of that
Matt is dead and
no Successor has yet
been appointed, and
because mismanagement
of the Matt lands is
alleged in petitions
received in this Office
If there was a Swamii
to the Matt and if
gross mismanagement and
deviation from the
objects of the grant
were not brought
to notice, then the
Government would
not interfere with
the management

of the endowments by the Matt. It now appears that a Receiver has been appointed upon adequate security by the District Court at Chinglepet for the management of all the Matt properties in the Madras Presidency and in the territories of Mysore & Hyderbad and it is provided that he shall render accounts to the Court ~~of~~ from time to time of all amounts collected and expended This order has been confirmed by the High Court of Madras. I am doubtful whether

the Court in British India had power to include in their order the States of Mysore & Hyderbad and whether the Mysore Government is bound by that order I accordingly wrote to the Government Advocate who has stated in reply that the District Court of Chinglepet and the High Court of Madras had no jurisdiction to appoint a Receiver for property situated in the Mysore State. If the above view is correct there seems to be no objection to the Mysore Government taking up the manage-ment of the lands

situated in Mysore
Territory for and on
behalf of the Matt
as a temporary measure,
as management by
~~one~~ our Officers will be more
efficient and more
profitable to the in
-terests of the Matt.
On the other hand
if it is considered desir.
-able to have the
management of the
Mysore lands also in
the hands of the
Receiver appointed
by the British Courts,
I think a reference
may be made to the
Madras Government
through the Residency,
enquiring in what
manner the affairs
of the Matt are now

recently conducted there and whether the proceeds of the Mysore endowments, if allowed to be collected by the Receiver will be duly applied purely in the Hindu interests and the balances if any duly accounted for

If an assurance is obtained from the Madras Government to the above effect there seems to be no reason why the Receiver himself should not be allowed to manage the properties in the Mysore Territory

The question of the annual stipend of Rs 8-12-0 will be decided in accordance with the orders passed

on the question of
land endowments

Govt Rec No. 3909–14
Mag. 55–01
dated 16th June 1904.

Note continued

In a subsequent petition dated 12th October 1904, (received on the 25th October 1904), the Receiver Mr Narasimhachar states that 14 suits have been filed by him on behalf of the Matt in the Additional Munsiff's Court, Mysore. that several of these are posted for hearing on the 7th November 1904; that the Munsiff refused to grant further adjournments of the cases and

that, unless an order from the Govt of Ellapor authorizing him to proceed with the suits is produced before that date, the said suits would be dismissed and that this would entail much loss to the matt. He prays therefore that, pending disposal of his Review Petition, orders may be passed either asking the Court to adjourn the hearing of the suits or authorizing him as Receiver to proceed with the cases.

Muzrai Secretary's Remarks

bracketed copy first up

The Govt passed final orders in this case in their Proceedings No. 3909-14 Muz. F. 55-01, dated 16th June 1904, directing that the temporary management of all the properties of the Ahobala matt in the State including the lands etc be taken over by Govt in the Muzrai Department. The petitioner complains in the first place that no notice

was given to him Govt however, had before them records of the local enquiries made by the local authorities and being satisfied ~~with~~ that the management was not satisfactory and also considering the fact that the matt was without a Swamy, they passed the Order above-mentioned in their executive capacity with the view of preserving the properties of the matt A notice to the petitioner appears to have been unnecessary

In the next place the petitioner argues that the High Court of Madras had power to appoint him as Receiver as regards the properties situated in Mysore also, and he quotes authorities showing that the Court has power to appoint Receivers as regards properties situated outside the limits of its jurisdiction even though they be in a foreign territory In declining to recognize the Receiver's authority in the Mysore State the Govt was guided by the advice of the

Govt Advocate who was of opinion that "the High Court of Madras had no jurisdiction "to appoint a Receiver for property situated "in the Mysore State" Even supposing that the petitioner's arguments as regards the powers of Receivers are sound, still it does not follow that the Mysore Govt was bound to accept him as Receiver, when they considered that in the interests of the Matt the properties belonging to it, situated in Mysore, had best be administered by themselves

Under these circumstances, I am of the humble opinion that it is not necessary to alter the orders by which the lands etc of the Matt have been taken over under Govt management

The petitioner points out that the puja etc services to Narasimhaswamy now performed, not at Tiruvellore, but in a village called Narasimhapura near

Kumbha Konam, will suffer if the income from the Mysore villages is withheld He also says that the daily puja and festivals to be performed in the Ahobala Matt at Mysore, Melkote and T Narsipur have to be provided for The amount to be contributed from by the Mysore villages for the performance of necessary services in these places may be ascertained and fixed hereafter

As regards suits said to have been already instituted by the Receiver, in the Additional Munsiff's Court at Mysore. some of which are posted for hearing on the 7th November 1904, I think the Govt may permit the Receiver to continue the conduct of those cases, as they, in all probability refer to transactions prior to the 1st July 1904, from which date the Govt took up the management of the lands. He will not, of course, have power to file such suits relating to transactions subsequent to that date

As I am writing this from Camp Mysore and as the matter is very urgent I have not been able to put up some of the references quoted, the collection of which will take time

Deputy Secretary to the Government
of Mysore, Miscl Department.

Sir,

With reference to your docket
No 1254 of the 18th February 1902 regard-
ing the issue of a stipend order in favo
of Seshadrengar, the present agent of
the Sri Ahobalaswami Mutt at T.
Narsipur, I have the honor to report
as follows: —

(1) The Swami of the Mutt appoints
agents - with the approval of the Deputy
Commissioner - In the present
instance, however, the Swami being
dead, and no successor being as
yet appointed, the receiver, appointed
by the Chengalpet District Court

6

to manage the property of the Mutt, has appointed the agent. -

(2) The new agent, Seshadrengar, does not hold a power of attorney from the Mutt, for there is no Swamee to grant a power of attorney. He was nominated by the receiver, and the Deputy Commissioner approved of the nomination, as will be seen from the file of Kannada papers herewith resubmitted for perusal.

(3) Seshadrengar is the agent of the Mutt in respect of the properties in the T. Narsipur Taluk only.

(4) The stipend has been paid to the new agent since the death of Appa-rengar the late agent - under the authority of the Deputy Commissioner order no 171 of the 12th April 1901 the original of which is in the accompanying file of Kannada papers

Dated 7th December

Sir,

With reference to your Letter no 93 dated 11th November 1902, recommending the issue of Stipend order in the name of Seshadri Iyengar, the present Agent of the Sri Ahobilamma matt at T. Narasipur, I am directed to observe that the act: of having limited the stipend amount to—

to Shashadri Iyengar,

on the death of the original
Stipend holder Appanniyengar
was irregular, and is
opposed to the late Chief
Comm's Proc no 2659-Fin 3
dated 9th July 1874, which
directs that every original
Stipendiary should be
furnished with a Stipend
order and that payment
of the Stipend should
be made only on the
production of the Stipend
order. I am to request you to be so good as to explain how you
gave the order for payment
of the allowance without
obtaining the previous
sanction of the Govt
thereto.

and on what authority

The Dy Comm

of the

Shashadri

- of the

at- 9

~~The allowance in question~~
~~in the absence of a fresh shipment~~
~~order. I am to request that you~~

~~will be good enough to refer~~
I am also to enquire
why these further payments
should not be held
in abeyance, pending the
appointment of a successor
to the matt, especially
seeing that the ~~account~~ allowance is now
granted to the matt, and not to any individual.
2. From the Vernacular
records now received
with your letter under
reply, it is observed
that two questions in
connection with the affairs
of this matt are mixed
up together — one about
the issue of a fresh
shipment order in the
name of Sheshadri
Iyengar, and the other
about

the mismanagement of
the matt affairs. Several
complaint petitions about
the latter are found in
the enclosed records,
duly presented by one
Mallappa, who appears
to be the Shanbhogue of
the Inam villages of
Basinakunahalli, Migadahalli
and Nagalapura, endowed
to the Ahobalaswami matt.
Besides, the Amildar
of the I. Narasipur Taluk,
in whose jurisdiction
the Inam lands are situated,
also
appears to have reported
the Sub-Div Officer of Chamarajnagar
to the Dy Commr, in his
Memo no 70 dated 22nd
July 1900, that the Inam
lands of the matt in
his

his Talukdari were being
mismanaged and there-
therefore they should
be taken over under
Government management,
until a successor ~~was~~ had
appointed to the matt.
No further action seems
to have been taken either
on the Complaint petns
of Shanbhogue Nadhuppa
or on the Report of
the Amildar; but, on
the other hand, the
as Agent-
nomination of Shashadri
Iyengar made by the
Receiver of the matt,
was then recognised by
us Dy Commissioner, without
any question and

and without ~~[illegible]~~ enquiring
the matter for Government
orders.

3. As the Zamin lands
are endowed to the Mutt
for the due conduct
of the Pujas & services,
it is the duty of the
local magistrate officers
& the Head the income
therefrom is properly
utilized towards the
Mutt. But, neither
the Tasildar
the newly appointed Agent,
nor the Receiver, seems
have been called upon
the Dy Commissioner
number Accounts
of the Receipts and Expenditure
from these Zamin Villages,
to satisfy himself that there
was is

is no room for any misappropriation.

4 I am therefore to request that you will kindly hold a thorough enquiry into the alleged mismanagement of the Villages in question and as to whether the prescribed religious rites are being rendered in the Matt, and submit a detailed report on the subject at an early date.

and also the petition dated July 1879 addressed by Rajaman Nandamba Chari, Seshengar, and Narsimhengar agent & by the Ahobala Mutt, stating their ancestors had lived in the Agrahar for some time, but owing to the unhealthiness of the place they abandoned the place, and the petitioners praying the matter to H.H. He had no objection whatever in the person & Inamdar where they liked original Site if it is considered essential that the Agrahar ought should be rebuilt, a good & suitable may be selected and given to the Inamdar to erect

to 4. able Brahmins to construct the houses; & produce a Certificate from the Mirasdar of Huttoor alle & the Villages in the effect that as per Command there was an Agraharam built called Chamaraj Bhoopala Agraharam that some of the Vrittidars had lived there, that owing to the badness of the place, & Constant deaths and other Calamities, in the families of the Vrittidars, the place was abandoned, some 20 years ago, and that ruins of the buildings and wells &c, are still in existence

4. A similar Complaint Rarms, to whom been made about 4 or 5 years ago, the following short precis of the Correspondence will show how the matter has been disposed of by the Revenue Authorities - This Proceedings sent for from the Taluk records - On the 2d October 1874, the Amil of this Taluk brought to the notice of the Mookhya Officers, that no Agraharam was in existence, that the temple was in ruins, that the object of the grant was not fulfilled, that the land which had been granted for the Construction of the Agraharam, had been Cultivated & solicited permission to resume the Grant - In reply No 200 dated 24th Idem, he was directed to Enquire, and report whether Thotta Chor & Poojary were willing to put the temple in order or not, how much Inam had been allowed to it what was the yield, how much was spent for Expenditure & Deepa Dhoopa, what was the balance & whether the Brahmins had lived there or not - The Amil in his Peshkah No 309 of 2d Dec 1874. stated that near Krishnaraj 7½ Kandies of land has been granted as Inam to the temple, the yield was 70 Kandies, out of which 24 were granted to Poojary and the balance 46 Kandies was taken by Dorasawmenger for Expenditure &c to Narasimha Chor son of the Jaridar Thotta Chor, that there was no Agraharam & no Brahmins lived there - Orders No 238 of the 15th Dec 1874 - the Amil was directed to report, how many of the Vrittidars constructed houses as per Command & how many were not, who were enjoying the fees & whether the Poojary had been rendered 2 temples - The Amil in No 357 of 31st Jany reported that no Vrittidars lived in the Agraharam

(Col: 14 Contd=)

2 August 1875, the Amildar was requested to issue notice to Veeranna Shetty =(Chair and) to take deposition from him as he was willing to put the temple murder case & whether the Government should take its repairs & to report as to who was rendering Poojay, and how it was conducted and that the notices should be issued to Jamidars or in their absence to the thanadars, and to submit their Kyfeats as to whether they would build houses or not. A reminder was issued to the Amil, Collin for the required report & to submit the Proceedings. The Amil in submitting the Proceedings with his Dfillah No. 214 dated 3rd Nov. 1875, stated that few of the notices had been served, of whom Ramadu Govindroyal had been stated that he was the purchaser & not a Jamidar, that he may be allowed 6 months grace to produce all the reference connected with the Vritty in support of his claim; meanwhile Rao, the then Amildar of the Madoor Taluk had petitioned that he was not the sole Inamdar for the Vritty, but that he would Consult with his Co-sharers and report the result, Roobanna Chair had declared that he purchased the Vritty in 1858 and that had no objection to build the house [illegible] to other Vrittidars do the same,

2 [illegible]

respos

Venkatarayana

(Col 19 Contd)

Venkatanarayana Sastry stated that the Vrittis was obtained by gift, that he was not aware of the agraharam affairs, but that he would abide the orders of Circar.

Kondajis had deposed that he was not responsible for the Vrittees he was enjoying, but that they were purchased by Parthasarathy Nanjundiah, whose widow had gifted to certain temple built at Kennya-puram by the alienee. Sankaranah had deposed that he would build a house, if the other Vrittidars do the same, & that remaining notices were unanswered. In the deposition of Narasimhachar the Rajamani, he had stated that if the produce be restored to him he would Complete the repairs of the temple - no further action was taken with regard to the Construction of houses and the correspondence on the subject ceased entirely. The subject of the temple affair alone was noticed. After a long unnecessary correspondence the Inamdar Officer directed the restoration of the produce which was under attachment to Narasimhachar on condition that he should put the repairs into execution and finish the work within 6 months, & that he being Rajamani, he should be made responsible for the payment of the Poojary

5. From the Nirup dated 26th April 1818, it would appear that a piece of land measuring K.K. 1-2-12 assessed at Os. 4½ was granted in the

Kittavalli

Hattavalli Village, at the request of Thatta Chari and Dyagaroo Srinivasa Chari for building sites for the inmts of Old Baramahal on a Village, on the old locality of the latter village being proved unfavourable to them, and in the following year 1819, on the representation of Thatta Chari to the effect that if the waste uncultivated lands below the Channel of the Village be granted as Inam to Brahmins he would cause an agraharam built at the expense of the Vrittidars on the land already given and on which the Ekamra Bhaopala agraharam was ordered to be built & which was under Construction, H. H the late Maharajah Conveyed his Sanction in his Lrimp dated 2d July 1819 quoted in Col: 11 & directed the Amil to Continue the Inam in hereditary Succession with instructions to Brahmins to live in the agraharam peaceably wishing Continually the prosperity of the State &c

6. The Yejmans of these Vrittis Srinivasa Chari states that as per Memp. his father Thatta Chari, Dyagoo Srinivasa Chari, Vencatarumaniah, a descendant of Rechaiyne Chari & Goorumallu had built their houses & lived there for some time, the place being proved unhealthy and haunted by bad birds, the place was deserted, and on the representation of the matter to the Khavind, the Maharajah directed them to live where they liked & that he did not insist on them to build houses elsewhere. It appears that H. H has gifted

Separate

(Col: 19 Cont'd)

Separate houses to some of the Vinkidars, in Gujrat, where they now live. —

7. Among the original Vinkidars, I found only one and that is the Nejamoon or Arimma Chur Son of Thatha Chur, who is in possession of the ancestral Vinkis, the rest are all absentees, the particulars of which will be found in the following Cases.

8. If the allegation that His Highness permitted them to live wherever they liked better, as he did to the agraharamdars of the Kudlapur Vinkis, I think it is unnecessary for the Vinkidars to build houses again. The Nejamoon Thatha Chur I have mentioned by name and was a great favourite, being attached to the Palace Establishment. From this it may be presumed that permission might have been granted. If it is considered necessary that the Vinkidars should build the agraharam & live therein at a certain appointed place, some of them are willing, and some are not. In two or 3 Cases, the purchaser has gifted the Vinkis to a temple at Penugapatam and which has been enjoying them from a long period. It is difficult to get back from the temple as its manager is quite a different man and not the descendant of the last purchaser. I think it will be unfair of the manager to be asked on to build a house at his own expense and leave his permanent residence. The sale transactions are too numerous; & it will be difficult to find

out

(Col: 14 Contd)

out the declarants of Jamdars

4. In my humble opinion it is that the Inams may be Confirmed on the existing state of things. I recommend this on the presumption that H.H was aware of the non existence of the agrahar as H.H himself owned the Ownership of the property between the Yajamans Nair asimbas(their and his Don, in which no allusion is made of this agrahar house.—

10. I leave the above subject for such orders as the Superintendent may think best.

11. The temple alluded to is repaired, and the idol to be replaced, which, no ceremonies which has deposed will be done in Sravana, or on good days within 3 months from this date. The name of the idol is Vanu Gopalaswamy and not Lakshminarayana, as contained in the Command. It appears that the Jamidar did not find, at the time the latter idol, but had one of Vanu Gopalaswami which he placed and worshipped. I think the same idol should be replaced instead of a new one of the name of Lakshminarayana, as the former one has been worshipped ever since the grant was made.

A receiver appears to have been appointed by the High Court of Madras, for the management of all the matt properties in the Madras Presidency and in the territories of Mysore and Hyderabad; but the Government Advocate, who was consulted on the subject, is of opinion that the High Court of Madras had no jurisdiction to appoint a receiver for property situated in the Mysore State. Petitions have been received complaining of the mismanagement of the lands and villages; and the local enquiry as well as the accounts submitted by the receiver, Mr. Narasimhachar, show that the income from the Inam villages and lands of the matt was not properly applied, and that the affairs of the villages are not satisfactorily managed, since the appointment of the receiver. The Officiating Deputy Commissioner Mr. Kantaraj Urs is therefore of opinion that the management of the matt endowments may be taken over by Government in the Muzrai Department, pending the appointment of a duly recognized successor to the matt.

3. The Government concur in the view of the Officiating Deputy Commissioner, and are accordingly pleased to direct that *temporary* management of all the matt property in the State, such as Government Inam lands and villages as well as of the cash grant of Rs. 8-12-0 per annum, be taken possession of by the Deputy Commissioner in the Muzrai Department, with effect from the 1st July 1904.

4. The Deputy Commissioner is requested to issue needful instructions to the Amildar of the T.-Narsipur Taluk to give due publicity to the raiyats, that the management of the endowments in question will from the 1st July 1904, vest in Government and not with the receiver on behalf of the matt.

5. The collection on the lands and villages shall be regularly made by the Amildar under the orders of the Deputy Commissioner as in the case of the Government villages, the same being remitted by means of Remittance Transfer Receipts drawn on the Bangalore District Treasury, in the name of the Muzrai Secretary to Government in whose name the amount will be deposited in the Government Savings Bank on behalf of the matt. Such Remittance Transfer Receipts should, as in the case of the Vyasaraya Matt remittances, be sent by the Amildar to the Muzrai Secretary *direct*, and the Deputy Commissioner is requested to issue clear orders to the Amildar, that in view to avoid unnecessary delay in the matter of remitting the matt accounts, he may carry on correspondence with the Muzrai Secretary direct, as regards P. S. T. R. and other money questions connected therewith. The demand, collection and balance and other statements shall also be submitted to the Muzrai Department of Government.

Muzrai, dated 16th June 1904.

6. From the vernacular records received with the Deputy Commissioner's letter read above, it is observed that the stipend order for the Malnad cash grant of Rs. 8-12-0 per annum, payable to the matt from the T-Narsipur Taluk, stood in the name of Appanniengar, who was the local Agent of the matt and who is since reported to have died. A fresh stipend order in the name of the matt will be issued. The Amildar of the T-Narsipur Taluk should draw this amount also once a year, and remit it to the Muzrai Secretary for deposit in the Savings Bank.

7. The question of restoring the management of all the endowments to the matt will be considered *after* the appointment of a successor duly recognized by the Government of His Highness the Maharaja. Intimation of this order will be given to the receiver.

PROCEEDINGS

Dated 16th June 1904

No. 3909-14

Directing that the management of the Inam villages, etc., endowed to the Sri Ahobala Matt be temporarily taken over by Government in the Muzrai Department.

SDT—87-04—200

No. 245

7-8-1904

To

THE SECRETARY TO THE GOVERNMENT OF MYSORE

Muzerai Department.

Sir,

With reference to G.O.No.3909-14 Muz.F.55-01 dated 16th June 1904, I most respectfully beg to submit the following few lines inview to a ~~recommendation~~ reconsideration of the above order by the Government, more in justice to me personally, if not in reference to the whole matter disposed of by the Order.

In the above order the Government have been pleased to direct that temporary management of all the Ahobile Mutt properties such as Inam lands and villages &c. in the Mysore State be taken possession of by the Deputy Commissioner in the Muzerai Department from 1st July 1904 on the grounds:-

(1) That the Government Advocate who was consulted is of opinion that the High Court of Madras had no jurisdiction to appoint a Receiver for property ~~by~~ situated in the Mysore State, and

(2) That petitions have been received complaining of the mismanagement of the lands and villages and that the local enquiry as well as the accounts submitted by me show that the income from the Inam lands and villages of the Mutt was not properly applied and that the affairs of the villages are not satisfactorily managed since my appointment as Receiver.

2. It pains me much to be obliged to state that a decision of such great consequence has been arrived at by His Highness' Government and the foregoing remarks have been passed regarding my administration of the Mutt properties without my being given an opportunity to explain and defend myself against the

petitions received against me, in reference to the local enquiry made by the Amildar or Deputy Commissioner and in the matter of the accounts submitted by me. A vast portion of the properties of the Mutt, is situated in different parts of the Madras Presidency amidst innumerable disciples of the Mutt. It is no matter for surprise that some among them actuated by various motives, are ever ready to criticize my conduct and management. But no question has arisen about them although it is now four years since I took up the management. I am in duty bound to submit to the Court which appointed me accounts of receipts and expenditure once every fortnight and to deposit in the Bank of Madras all sums in excess of Rs.1000 within the 5th of every month. I have also given security to the satisfaction of the Court for the due administration of the income of the Mutt.

3. I applied for copies of the petitions referred to in the above Order and also of the papers relating to the local enquiry made with a view to explain myself about them. But they have been refused. So I am obliged to content myself with surmises and speculations in defence of my character The materials on which the Government acted must be meagre and unsatisfactory, because the order of the Government does not indicate in what respect the properties of the Mutt have been mismanaged and in what way the incomes have been misapplied. I respectfully submit that it is not in accordance with justice that a charge which so seriously affects my character as that of mismanaging trust properties and misapplying trust funds should have been investigated and deemed proved without my having been given any notice of it. If the Petitions have emanated from Shambogue Mallappa as I am told by rumour that they have, I would state he not being in the service of the Mutt for the last 20 years could not have known the real state of things and that between him and the Mutt disputes arose

many years ago and still continue,' or if they are the outcome of ill-feeling of some of the Tengalai brahmins of T. Narsipur who are always inimicably disposed towards the Mutt; or if they are the expression of some discontented ryots against whom I had to file suits for recovery of rent, I leave them to the wise consideration of the Government as to what they are worth. The local enquiry alluded to in the order has been made behind my back and without my knowledge. Again as regards the accounts which I submittedaccording to the instructions of Mr. B. Kristna Row, the then Assistant Commissioner in Charge of the Muzerai Department, no enquiry was made of me as to what items of expenditure are correct or incorrect, well or ill applied and no explanation taken from me which if wanted, I would have been ever ready to furnish. Before concluding this portion of the subject, I beg to submit that the observations of Government in the above G.O. in regard to mismanagement of the Mutt villages and the misapplication of money collected are based on no solid facts and I have every confidence that if an opportunity is given I will be able to convince the Government that the villages have not been mismanaged or the money misapplied. Any substantial misapplication of the Mutt monies was possible only in the Madras Presidency of which no allegation has ever been made: The items of expenditure in the Mysore State are only a few small amounts.

4. Next, regarding the opinion of the Government Advocate that the High Court of Madras had no jurisdiction to appoint a Receiver for property situated in Mysore, I beg to submit that the point arose in Civil Revision Petition No.123 of 01-02 in the Chief Court, Bangalore, and it has been decided on the facts put forth before it that "my right to collect the rents and profits of the Mutt lands in Mysore having been recognized by the Muzerai Department no question arises as to the

power of the District Judge of Chingleput to appoint a Receiver of the Mutt lands in Mysore". Probably the above point was not put forth before the Government Advocate. I presented an application to the Deputy Commissioner, Mysore before I began to manage the villages and I obtained his approval which has been held suffiotent by the Chief Court in the above Civil Revision Petition. The Mysore Government represented by the Deputy Commissioner ratified my appointment. If the above facts had been brought to the knowledge of the Government Advocate, he would not, I think have given an opinion adverse to the decision of the Chief Court which is presumably a better authoritybthan the Government Advocate.

5. In the Muzerai Department of Government itself, it will be seen from a copy of the Proceedings dated 12-7-04 No.253-4 En.File that the Government recognized my appointment and passed orders in my favour on the petition of my agent dated 22-1-03 in regard to the building of the Mutt at J. Narsipur.

6. Again in regard to the Review petition filed by Shambogue Mallappa for a reconsideration of G.O.No.1369/P.F. 22-93 dated 31-3-1903, the Government of Mysore in the Revenue and General Department issued a notice to me and I was heard and orders passed in my favour.

7. In these circumstances I most respectfully submit for consideration that the properties of the Mutt having once vested in me thus, whether any disability can arise in me to hold them and whether it is fair to divest me of it by an executive order of Government and that without any enquiry or notice to me.

8. Turning to the authority of texts, there do not seem to be any authority for the opinion of the Government Advocate. In Woodroffe's Law relating to Receivers Page 19,

wefind "In the case of Receivers it is not necessary in all cases in order to authorize the Court to make an appointment that the property in respect of which the appointment is to be made should be within the local limits of its jurisdiction. It is well settled that the Court can appoint Receivers over property out of its jurisdiction, the power being based on the doctrine that the Court acts in personam. Thus Receivers have been appointed of property situated in Ireland, India, Canada, China, Australia etc. Again In 2 Mysore Chief Court Reports at page 36, there is a case reported in which the question whether a Receiver appointed in a Foreign Court could sue a man in Mysore Territory in Mysore Courts, directly arose At page 38 of the said Mysore Chief Court Reports Vol.II, the Hon. The Judges have quoted with approval some passages from White & Tudor's Leading Cases in Equity Vol.2 Page 1069 and Kerr on Receivers page 101. "They say there is abundant authority for the proposition that the Court has power to appoint a Receiver for collecting debts due from a person living in foreign countries." Thus it will be seen even according to the authority of the texts, the opinion of the Government Advocate has not a strong basis to rest upon.

10. Considering then the circumstances of the case, it is submitted that there do not seem to be any ground for even the temporary resumption of the management of the Mutt Inam Villages.

11. Although there is no Swamulavaru in the Mutt, the daily puja or worship, Naiveethana, Dheeparathana of the Deity Sri Lutshminarasimha Swami and the Brahmana Santharpana in the Mutt have to be carried on as usual and these are being regularly performed at Narasimhapuram near Kumbakonam in the Tanjore District of the Madras Presidency. Any information in respect to the matter may be ascertained from the District Judge of Chingleput under whom I am working or from

the Collector of Tanjore within whose jurisdiction the Deity is located or from a Special Commissioner appointed for the purpose for inspection and report. If the Collections of the villages &c are withheld as will be the case if the Inam villages &c. in the Mysore State are resumed though temporarily, the puja &c. and the Santharpana in the Mutt for which purposes the Inam villages &c. have been granted by the late Maharajah will suffer and the primary object of His Highness defeated. So long as the said purposes continue in the Mutt, there do not, I submit, exist any ground for the interference of Government. The daily puja and worship of Lakshminarasimhaswami in the Ahobila Mutt buildings at Mysore and Melkota have to be conducted as till now and the annual festivals at Melkota and T.Narsipur Mutts have to be performed and the Mutt buildings at these two latter places have also to be rebuilt or repaired.

12. The Mutt will also be a loser in one other way. There are many suits pending in the additional District Munsiff's Court, Mysore, and the Mutt will suffer by the dismissal of these suits.

13. I am prepared to abide by any terms which the Government of Mysore may dictate for the management of the Inam villages &c.

14. It may not be out of place to state here that my status is not merely that of a Receiver appointed by a Court of Justice. The late revered ~~Siva~~ Swamigahivaru of the Mutt appointed me as his agent of the Mutt under a General Power of Attorney and in consequence, my rights and duties necessarily continued after his death till I hand over the properties to his successor.

15. Under these circumstances I most respectfully pray that the above order of Government may be reconsidered and

cancelled and that pending the final disposal of this petition the order may be kept in abeyance.

Petition against the order of the Subordinate Judge of Mysore in Small Cause No 54, Mis. No: 286 of 00

This Petition coming on for hearing

on

on Monday, the 3rd Day of August 1903, the court pronounced the following.

Order.

The right of the Counter Petitioner to collect the rents and profits of the Inatt Lands in Mysore has been recognized by the Imperial Department Consequently no question arises as to the power of the District Judge of Chingalpett to appoint a Receiver of the Inatt Lands situated in this Province

The Subordinate Judge was right in Granting the Counter Petitioner's application to receive the Suit. The question for decision is not whether the present Plaintiff has denied any right to the property in dispute from the deceased Plaintiff, but whether the cause of action relates to the property of which he is in lawful possession as Manager. Inasmuch as he has a present right to represent the estate, the right to sue for rent survives.

It is contended that the application was barred by limitation But section 372 A of the code of Civil Procedure gives power to the Court to excuse the delay. We see no reason to hold in revision that the Judge did not properly exercise his discretion in granting the Petition.

The Defendant contends that he is entitled to hold the land on reduced rent. He is at liberty to establish the alleged right by a regular suit. The decision in this small cause suit is no bar to such a suit The Petition for revision is dismissed with costs.

Honoured Sir,

With reference to my petition to the Govt: of Mysore in the Muzrai Dept: praying that the order passed in G.O. No 3909-14 Mzy Jr. 55 dy 16.6.04 — resuming temporarily the management of the Ahobila Matt: Inam villages and lands in the Mysore State, may be reconsidered and that pending the final disposal of the above petition, the G.O. may be kept in abeyance in order that immediate loss arising to the matt: may be prevented — more especially with reference to the suits pending in courts &c, I beg to submit herewith a communication from my pleader at Mysore dy 9.10.04 stating that about 14 suits filed on behalf of the matt are pending before the Additional District Munsiff of Mysore, that many of those are for hearing on the 7th of November next, that the Court being of opinion that the suits cannot be continued in my name under the present circumstances, has refused to

want further adjournments of the cases, i.e. unless an order from the Government of Mysore authorizes me to proceed with the suits to produced before that date, the said suits would be dismissed and that this would entail much loss to the mutt.

Under the circumstances, I pray that early orders may be passed to the Courts to adjourn the suits or if it is thought desirable, authorize me to proceed with the suits, pending the final disposal of the matter in my petition.

Dear Sir.

The Chief Court of Mysore wants the Savanur Physical Patrika (ಸಾವನೂರು ಫಿಸಿಕಲ್ ಪತ್ರಿಕೆ) of the Hegadahally Village for the second appeal files on behalf of the Mutt against one Ankanny Sastry and it has asked the Additional Munsiff of Mysore to get the book from the party and send it at once. Please ask Mr. Sesha Iyengar for it and send it to me as early as possible. The second appeal cannot be

heard until the book is produced.

About 114 cases filed on behalf of the suit are now pending before the additional munsiff of Mysore many of these are for hearing on the 7th of nov. Witnesses have to be summoned and examined. The management of the village having been assumed by the Govt of Mysore, the Court is of opinion that the suit cannot be continued in your name unless you get an order from the Govt authorizing you to proceed with the suits.

under the advice of your last-
letter, I got the cases adjourned
twice. The munsiff warned
me that he would not adjourn
the cases any longer and that
if the order from the Govt is
not produced before the 7th
of Nov, he would dismiss
the suits. Thus would entail
much loss to the mutt. I beg
you to move the Govt-
ment in this behalf and get the
necessary orders as early as
possible.
